## WHAT IS THE EXTREME BALLOON TEAM EXPERIENCE?

During the cocktail hour **THE EXTREME BALLOON TEAM** provides world class close-up magic that combines comedy and eye-popping sleight of hand. By creating a topic of conversation, your guests are immediately put in a positive state of mind from the very beginning of your event.

Once everyone has experienced the magic, our balloon masterpieces take over, enhancing the party atmosphere and serving as memorable custom souvenirs. Balloons bring out the smile in everyone whether its a lady bug bracelet or one of our life sized motorcycle photo opportunities. (see below)
